

TRANSFER PRICING DOCUMENTATION

RoyaltyRange provides services for the transfer pricing compliance and reporting, patent box application and valuation purposes.

We prepare full OECD compliant transfer pricing documentation package for licencing transactions.

In accordance with the OECD BEPS Action 13 requirements, the transfer pricing documentation can be prepared in the Master file and Local file format, and includes the following analyses:

Industry analysis

Group and company analysis

Description of the covered transaction

Functional analysis

Selection of method

Benchmarking study

Financial analysis

**OECD BEPS
COMPLIANT**
