- Target the right businesses
- Create custom lists
- Maximise sales opportunities
- Grow your Total Addressable Market

≡ ROYALTY RANGE

## HELPING YOU TO GROW

When sales reps have access to accurate business data, their success in closing opportunities increases.

However, nearly half of sales and marketing leaders say their sales reps lack the right company data to connect with their target customers.

RoyaltyRange provides the insight and data your sales reps needed to thrive and help your business grow.

Subscribe to our solution or request one-off searches from our team of experts.

### TARGET THE RIGHT BUSINESSES

RoyaltyRange customer database delivers a clean and simple way for sales and marketing teams to discover businesses fitting their perfect target audience profile.

### BUILD CUSTOM LISTS

Quickly build tailored lists of businesses for prospecting with our comprehensive list-building filters.

### MAXIMISE SALES OPPORTUNITIES

Understand your target business with detailed company descriptions, keywords, industry classifications and more.

### GROW YOUR TOTAL ADDRESSABLE MARKET

Discover businesses in your TAM that are hidden or underrepresented on other databases with our keyword search functionality.
